TRADEUP

GIVE US YOUR OLD ROBOTIC OR MANUAL TOTAL STATION
AND GET CREDIT TOWARDS A NEW MS60, TS16 i, OR TS16 P

MS60

UP TO:

\$12,000

credit towards a new MS60, when you trade in your old Total Station

MS60 Features

- Adjust to any environment with self-learning technology. Simplify scanning with instant creation of point clouds and 3D models in one view
- Visualizations are clearer and easier to see on an all-new 5" screen
- Engage with the new and revolutionary Captivate software
- Bridge the field to the office with smooth data transfer from Leica Infinity

TS16 i

UP TO:

\$9,000

credit towards a new TS16 i, when you trade in your old Total Station

TS16 i Features

- Artificial intelligence for adjusting to environments. Completes challenging the tasks, ignoring field distractions
- Engage with the new and revolutionary Captivate software
- ATRplus automated targeting functionality
- Image assisted surveying with automatic panoramic image capture with integrated 5 megapixel camera

TS16 P

UP TO:

\$7,500

credit towards a new TS16 P, when you trade in your old Total Station

TS16 P Features

- Artificial intelligence for adjusting to environments. Completes challenging the tasks, ignoring field distractions
- Engage with the new and revolutionary Captivate software
- ATRplus automated targeting functionality
- Advanced prism search mode for use as a robotic total station
